v.) Hon. Judge COAR

James Zagel)

MOTION FOR DISCOVERY

Now COMES, JEFFREY BERRY,
Plaintiff, in PETITION to this honorable
court request the transcripts, motions
and documents that will expose
"Why" James Zagel has violated
the Plaintiff's civil rights, constitutional
rights and human rights.

(1)

- 2 -

The Plaintiff declares, the defendant intentionally violated and continues to do so, the rights of the Plaintiff to conceal, and suppress the truthful facts that are documented in the following cases:

- 3 -

98-GT-1400, U.S.A. v. Jeffrey Berry was initiated to suppress the facts that the Plaintiff frequently went to Europe to learn the techniques of underwriting from the largest Insurance companies, Foundations and Trusts in the world. The facts were provided to the government

(2)

government, that the Plaintiff
contracted with Euler Hermes,
Templeton Insurance, College Hill
Underwriters, Sabre, and Trusts
that utilize these AAA rated
insurance companies.

- 4 -

The Plaintiff declares, the
government, presented a fraudulent
case to a "Special Grand Jury" on
July 22, 2003, to prevent the
Plaintiff from exposing stolen
underwriting Bank Guarantees
from the United States Treasury,
through Citibank in the name of
Jeffrey Berry, passport U.S.A.
111601585. After five years, case
98-65-1400 closed August 7, 2003.

(3)

The Plaintiff can show, the government, in retaliation for the Plaintiff presenting a (25) page summary of case 99 CV 7555, Jeffrey Berry v. Citibank, (7th Cir.) intentionally manufactured another attempt to present fraudulent and false evidence to a second "Special Grand Jury". The second Jury did not sign the indictment and at times laughed at the government's presentation. The invalid indictment was issued "Sealed" for that reason. No Foreman's signature and issued in violation of Article V of the United States Constitution.

- 6 -

The Plaintiff can show,

(4)

CASE 99-CV-7555, Jeffrey Berry
v. Citibank, exposes the transfer
of (4) four Bank Guarantees that
originate from Treasury Account
912810 Bu 1. The Government and
James B. Zagal, in concert, conspire
to violate the plaintiff's civil and
constitutional rights to contract on
the same basis as White Citizens,
in violation of Title 42 U.S.C. 1981
and 42 U.S.C. 1982.

- 7 -

The Plaintiff can show,
James B. Zagal confirms, he is
a Racist, based on his belief in
the German races innate Superiority
and antagonism towards members
of Different races based on his

(5)

personal belief. (April 16, 2004)

- 8 -

The Plaintiff can show, James B. Zagel confirms he is, Prejudice, and bias as he decided before hand who the Plaintiff was based on his race, presented to him harm, and violated the Plaintiff's Civil rights, constitutional rights and human rights as a result of his actions and judgments.

- 9 -

The Plaintiff can show, James B. Zagel's foundation for his racial views in life stem from the German National Socialist Party, in which his posture stems from the secret codes of (SS), which

(6)

stands for Schutzstaffel, or "Blackshirt". This secret German entity was responsible for the German Elite, who carried out the bombing of BIS shops, 29 warehouses, 171 homes, 191 Synagogues and 76 buildings belonging to the Jewish population. The murder of the Jewish people were the reason for this Act of Violence and continued until the Western World and Russia forced them to surrender on May 7, 1945.

- 10 -

The Plaintiff can show, the words used to send his own African American clerk "FETCH," to retrieve papers and his own

(1)

posture to State, African Americans don't have the "where withal" to be "Significant" in any multi-million dollar transactions is harmful and detrimental.

-11-

The Plaintiff can show, the African people, since 1619, when the Dutch Ship brought the first (20) Slaves to the English Colony of Virginia, had the "where withal" and were "Significant" enough to assist in the civil War, which freed over (4) million Slaves out of an estimated (15) million brought to America to build this Country.

-12-

The Plaintiff can show,
(B)

a African Haitian, named Jean Baptist Point Du Sable founded a Settlement in 1772 called Eschikagou on the North Bank of the Chicago River. Although, "he was not recognized until 1968," due to "oppression," he was very "Significant" to Chicago, long before the first German set foot in Chicago.

-13-

The Plaintiff contends, race does not determine the capacity of a person, ethnic group or gender. Racism is wrong, and James B. Zagel should be charged based on his own admissions, actions, schemes and in a leadership role.

(9)

The Plaintiff contends, in case; 07-c-1612, Jeffrey Berry v. U.S.A. and James B. Zagal in a Federal Contract dispute, was to be discussed for Settlement. But, upon request for "Discovery", the entire case was changed. Judge Ben B. Gottschell, joined in on the conspiracy to conceal, suppress and extend the criminal enterprise. The case is now up for Appeal.

- 15 -

The Plaintiff can show, the Appeals court, accepted the Appeal, until the motion for "Discovery" was presented. Aware of the criminal enterprise, states, the Appeal was made in "bad Faith". But,

(10)

did not identify what "Bad Faith" was. It is still open as of December 5, 2007, thank God!

-16-

The Plaintiff can show, over (7) motions were presented in case 03-cr-961, totally illegal, but in favor of James B. Zegals conspiracy to conceal, suppress and mutilate by any means necessary. All motions were denied, on their face.

-17-

The Plaintiff can show, James B. Zagal operates totally outside of his oath to office and the United States Constitution to violate the Plaintiff's civil, constitutional and human rights. It is intentional

(u)

illegal and malicious actions are what Judge Gottschall and two of the Appeals Court Judges are trying to conceal. The Honorable Judge Rouner realizes the criminal elements stemming from the group of criminals and headed by James Zegel, and granted me a Stay, or dismiss without prejudice. (Until I can Get a Lawyer)

- 18 -

The Plaintiff can show, the past (3) appointed lawyers, feared to present the truth to Judge Zegel. All three stated the exact same thing, "He won't accept your evidence." Why, because it is the truth. Something James B. Zegel cannot accept

(12)

from a person of my ethnic background.

-19-

The Plaintiff Prays, this Honorable Court, Judge COAK is not coerced to conspire along with the criminal enterprise.

-20-

The Plaintiff can show, the collusion, under the leadership of James Zagal to torture, jail, punish, harm and destroy his family has been enormously troublesome and conducted in a malicious and arrogant manner by James Zagal, and his accomplices. They all should be held accountable to the law.

(13)

The Plaintiff Prays, that the entire files and dockets of the following cases can be and will be ordered as "Discovery", as the entire case files will expose the extent of criminal activity conducted and created to silence, conceal, suppress and torture the Plaintiff, even murder.

-22-

-25-

The Plaintiff Prays, Appeal # 07-3243 will be requested

(15)

along with the "Discovery" as the "Discovery" contains criminal activity in which James B. Zegel should be charged and convicted.

-26-

The Plaintiff Prays, case: 07-1612 is requested, to show a Federal Contract, signed by the Director of New York Federal Traders, Nicholas Attick and Jeffrey Berry, Plaintiff, Drafted by Gerald Shaw Esq., of New Port Beach, California.

-27-

The Plaintiff Prays, the Appeal from case 07-1612 is requested to establish the pattern of corruption and extent of

(16)

illegal activity concealed to
suppress a "Racketeering Empire".

- 28 -

The Plaintiff Prays, this
Honorable Court will allow each
identified person, bank, employee
of Government, witness and all
public officials who conspired in
concert to punish the Plaintiff
under the secret, but, direct order
of James Zagal be deposed,
subpoenaed and requested to
testify under oath as to why
the illegal actions were conducted
against the Plaintiff and under
who's orders.

- 29 -

The Plaintiff Prays,

(17)

this Honorable Court will take the necessary precautions to protect itself, as James Zagal has proven to influence lawyers, Chiefs of Police, Warden's and Justices to collaborate or coerce individuals to continue the "criminal empire".

- 30 -

(18)

will comply with Title 18, U.S.C. 1001(a) 1, 2 and 3, to expose the fraudulent, deceitful trickery used between the Government, under the direction of James B. Ziegel.

- 32 -

The Plaintiff can "PROVE", "Reparation Funds" for descendants of "African American Slaves", has been available since 1999, and bankers have died, Securities dealers have died, and the killing will continue until the "empire", is exposed.

- 33 -

The Plaintiff Prays, and contends, the information is true and presented in "God's Good

(19)

faith and without delay.

- 34 -

I conclude in Prayer, that this honorable court understands, the Plaintiff will be killed for exposing this criminal empire, as I have been informed by Government lawyers.

- 35 -

I Pray, this honorable court will protect itself now and in the future through the Congress and Senate as certain "Justices" are also aware and in colludes with this enterprise. Additional information, interviews, people and witnesses have been hidden to protect their lives until the

(20)

the truth to come forward.
